

2008 BOYS & GIRLS SHOOTING CAMP

St. Croix Catholic School Gymnasium

New this year. We have added development of the “inside game” and “Post Play” to the shooting camp.

Long time local high school basketball coach and clinician, Chris Gargaro, will be returning to conduct this year’s camps. Coach Gargaro and his staff have been running fundamental skills camps for boys and girls for over 20 years. Their interest in teaching and developing basic fundamental basketball skills is well known. Again this year there will also be an additional camp focusing solely on shooting fundamentals.

All proceeds will go to the St. Croix Catholic School athletics. We will be accepting approximately 40 participants for each session. (The camp is always more fun for the kids when they know they have a friend who is also participating. **The camp is not limited to SCCS students, everyone is welcome**)

The shooting camp will be focused on teaching the players the proper shooting form for their age and ability. Each player will work to develop a better shot and will also learn how to develop their shot on their own. New this year, we will cover the footwork and shooting skills for players who play near or inside the key.

GIRLS July 28th - 1st \$40 (financial aid available – contact Diane Polley at the school office)

BOYS August 4th - 8th \$40 (financial aid available – contact Diane Polley at the school office)
