

2009 BOYS & GIRLS SHOOTING & OFFENSIVE SKILLS CAMP

St. Croix Catholic School Gymnasium

Long time local high school basketball coach and clinician, Chris Gargaro, will be returning to conduct this year's camps. Coach Gargaro and his staff have been running fundamental skills camps for boys and girls for over 20 years. Their interest in teaching and developing basic fundamental basketball skills is well known. This year's camp will again focus on development of shooting and offensive fundamentals.

All proceeds will go to the St. Croix Catholic School athletics. We will be accepting approximately 40 participants for each session. (The camp is always more fun for the kids, when they know they have a friend who is also participating. **The camp is not limited to SCCS students, everyone is welcome**)

The camp will be focused on teaching the players the proper shooting form and mechanics for their age and ability. Each player will work to develop a better shot and will also learn how to improve their shot on their own. We will also cover offensive skills for players at all positions (guard/forward and center).
