

# Mrs. Berry's Classroom News

Oct 31-Nov. 4, 2011

## Language Arts:

- Students will receive their next little practice book this week. The sight word in the book is, "I". Please continue to practice all books your child receives.
- Practice clapping out syllables.
- We are listening for initial /s/.
- We created silly socks and sorted the socks into categories. We compiled the pairs into a class book.

## Math:

We will continue our study of numbers from 0-5. We are identifying groups of these numbers and writing the numerals.

## Religion:

Our focus this week is an introduction to All Saints' Day. On All Saints' Day we remember all the holy men and women who followed Jesus while they were living on earth. They tried always to act as images of God. Now the saints live with God in heaven. We go to Mass and ask the saints to pray for us. The saints are people who lived as images of God on earth and are now living in heaven with God.

## Social Studies:

- The overall theme for this unit is "Life Today and Long Ago". This will lead into our Thanksgiving unit. Mrs. Sanocki is teaching this unit.

## Special:
