Mrs. Berry's class

January 28, 2012

Language Arts:

Review week: Listen for ending sounds

Letter Rr review

Delete syllables

Blend sounds/ Segment sounds

Little book: You Are It!

Math:

Measuring with non-standard units of measure such as links, color tiles and snap cubes.

Comparing weight and temperatures

Religion:

Prayer

The two stories for this lesson are adaptations of Luke 11: 1-4 and Luke 18: 9-14. The "Our Father" is introduced in this lesson. Jesus prayed often and taught others how to pray. Jesus wants us to follow His example and pray often to our Father in heaven. God hears all our prayers even when we do not say the words aloud. Sometimes we do not get what we pray for because God knows what is best for us.

Science:

What do animals need to survive?

How animals move

Where do animals live?

How animals grow

Special:

Monday We are starting plants next week. Please have your child **bring some kind of seed/seeds**. We will compare size, shape and colors.

Thursday: Student appreciation day. We will have ice cream provided by Gorman's restaurant and **students are wearing crazy socks and hats**.

Friday: Faith Rally: All students have been assigned to a group. Siblings will be together and kindergartners are with Mass buddies. It looks like a fun day. I hope to see you there!

Homework: Letter Oo, pages 34-35

Don't forget to send in Box Tops for Education, Campbell's soup UPC's and milk caps.
