**Religion:**

**Forgiveness is an act of love**

The two stories for this lesson are adaptations of Luke 15: 11-32 and Matt. 18: 21-35. The objective of this lesson was to understand that we all make wrong choices, sometimes causing hurt or unhappiness to others. This does not mean we are bad persons, but rather the deed is wrong and unacceptable to God. When we have done wrong, it does not mean that God and the person we have offended no longer love us, but rather we have hurt them and need to ask for forgiveness. We must also show through our actions that we are truly sorry and will try to do better.
