Religion:

- In the first lesson, the "Sign of the Cross" and the "Glory Be" are introduced. Each time we make the "Sign of the Cross", we give praise to the three Persons of the Blessed Trinity. When we say the "Glory Be," we are showing that we believe that God always was and always will be.
- The story for the second lesson is an adaptation of Genesis 1: 1-31. We call God Creator because He made the world and everything in it from nothing. God made all the things in the world for people to use. We can use all the things God made, but we cannot use other people. We love, praise, and thank God for the wonderful world He has given us.
