Mrs. Redmond's Class

January 9, 2012

Dear Parent:

Happy New Year! It was so rewarding to come back to school and see all of my students happy, rested and ready to begin kindergarten in 2012.

If you haven't already, please turn in your "book it" calendar. Keep on reading! The time spent with your child and a book is irreplaceable when you look at the vocabulary development gained from reading in the young child.

We are focusing, as a school, on knowing Jesus as a person and friend. When we know Jesus personally, we will naturally want to seek Him out in our daily lives and during the mass. *When we celebrate the liturgy, we are drawn into the love of God, healed, and transformed. (YOUCAT 1076)*

May God continue to bless you and your family in 2012.

Mrs. Redmond

Theme: Kindergarten is Snow-wonderful!

Literacy: Beginning sound of "f" and the star word, have.
