Mrs. Redmond's Class

November 4, 2011

Dear Parents,

Thank you for your generosity in donating to Zach Sobiech's silent auction. We were able to collect items for ten themed baskets. This month we are collecting for the food shelf for those in need—especially during the holiday season. You may bring in nonperishable items and/or toiletries to help stock our food shelf.

Mrs. Koenning, the librarian, has sent home a Timberwolves reading incentive called, "Read to Achieve." All students are invited to participate but this program is optional. After reading 500 pages during the dates of Nov. 1 through Jan. 6, your child may turn in their reading form and receive a prize package that includes a ticket to a Timberwolves game.

We enjoyed designing tin foil boats and determining which design will float with the most weight in them. We will continue our study of the properties of water next week in Science.

God bless,
Mrs. Redmond
