

Online Marathon Donations Checking Account, Savings Account, Credit Card, & Debit Card

SCCS now offers the convenience of making a marathon donation online through the school's website at www.stcroixcatholic.com. The school has contracted with VANCO Services, LLC (a Minnesota electronic payment and donations solutions firm) to offer a secure and easy way to make a one-time or reoccurring donation.

Through the website guests will be able to make a marathon donation in a student's name using their checking, savings, credit, or debit card. Upon submission, the funds will be electronically withdrawn from their account and deposited into the SCCS marathon account.

Each week of marathon money collection, the family will receive notification of any online donations received prior to the Thursday collection. This information will be placed in the family marathon envelope to include the donation amount, student(s) designated, and contributor. With that, we ask that families do not include anticipated online donations on their weekly *Family Turn-In Sheets* as it will result in "double counting" of the amount. Instead, we request that you just include weekly cash and check donations on the form. Online donations that are processed will then be added and tracked by the office.

To make an online donation:

1. Go to www.stcroixcatholic.com
2. Click on the tab "SCCS Parents"
3. Select "Marathon 2010" on the middle of the page
4. Choose the option "Make a donation to the SCCS Marathon"
5. Follow the screen instructions for one-time OR reoccurring donation

Please note: In order to offer this online donation service, SCCS is charged a 2.75% processing fee on each credit card transaction. Contributors are given the option to pay this processing fee to defray the transaction costs by checking an "optional" box on the form. For those choosing to use the online service, we appreciate the small additional fee if at all possible so that your full donation comes back to help SCCS.

If you should have any questions please contact the SCCS office at 651-439-5581. For more information on VANCO Services, LLC please visit them online at www.vancoservices.com.
