Dear parents,

The annual Middle School ski trip to Afton Alps is fast approaching. Tuesday January 31st, we will be leaving the school parking lot at approximately **8:30am** and returning to school by 3:15pm. **That means students need to be dropped off in the morning no later than 8:15am.** This allows more time for students to ski and snowboard. All students must meet at SCCS before going to Afton Alps, unless you and I make other arrangements for your child.

The cost of Afton Alps (lift ticket, rental, and ski/snowboard instructions) and bus is \$25.00. Please make checks payable to SCCS. **If your child has a season pass to Afton Alps and his/her own equipment, you need only pay \$7.00 for the bus.** If you feel you may struggle paying the full amount; please contact Diane Ktsanes in the office. Students can bring extra money to buy lunch and snacks at Afton Alps or they can bring a lunch (a bag lunch can be ordered from the SCCS cafeteria the Friday before).

For safety reasons all students will have to test out by an Afton Alps ski instructor before they can ski/board. For added safety students can rent helmets from Afton Alps for an additional \$2.00. Students who want to stay after the bus leaves, will need to have a written note signed by the parent and the name of the adult(s) that will be staying with your child. **Notes must be in by Friday Jan 27th.**

**If you would like to chaperone we are looking for seven (7) parents to volunteer for that day at no cost. The first people I hear from will be given priority. Please feel free to call with further questions or if you would like to chaperone.**

Thank you,

Mr. Slaikeu
