Dear SCCS Parent:

Thank you for taking the time to read the 2008 – 2009 Parent and Student Handbook and to share and discuss the appropriate areas with your children. Understanding and complying with these policies provides the foundation for a successful school year for your child (children). The Parent Handbook is also available on the SCCS website.

After reading the St. Croix Catholic School Parent Handbook, please sign and bring this form with you when you register in August. Thank you!

We have received, read, and shared the appropriate information in the St. Croix Catholic School Parent Handbook with our children and agree to be governed by the policies contained herein.
