

## Heritage Project

Trace your ancestors back to someone that immigrated to the United States. Tell where he/she came from, why he/she left that country, where he/she came through (ex. Ellis Island, Angel Island), and where he/she settled in the U.S.

Create a family “tree” going back to great grandparents. Explain something that makes each generation different from the others.

Tell about a tradition that has been carried down through the generations that your family still does today and identifies your heritage.

When you present your project show any pictures or “treasures” (WITH PERMISSION) that help you explain your family history.

This project is due February 7<sup>th</sup> and will be worth 100 points. This will take place of any worksheets or tests for this chapter.

Have fun.

Mrs. Bowen
