

January 20, 2012

Dear Parents,

Winter has finally arrived. We hope you are enjoying it (and it's short lived). The third graders continue to work hard and amaze us with their growth.

Mrs. Bowen's math class is beginning multiplication on Tuesday January 24 so please be prepared to drill those facts at home.

Mrs. Binford's class continues to take timed multiplication fact tests. They are progressing very well so keep it up.

In Social Studies we have begun studying immigration. Instead of a test on this chapter, the students will be completing a project about their own heritage. This will be due February 7th. Please see attached sheet for specifications.

We are beginning Book 2 in Reading. The students are excited to read from the book with the unicorn on it.

We are starting to study the planets in Science. Please look at the packet of work pages that is to be completed during the unit and handed in by February 2<sup>nd</sup>.

We look forward to seeing you at conferences, Open House and/or the faith rally.

Mrs. Binford

Mrs. Bowen
